The following statement/ endorsement is a true and factual representation which I have read and understood:

I came to see Bryan 3 1/2 years ago to quit smoking.  
I saw Bryan for 1 session and have not had a cigarette since! It was amazing. I was very sceptical coming into it - I wasn't even sure I could BE hypnotized! But here I am 3 1/2 years later smoke free and much healthier. This was amazing to throw my cigarettes away on the way in the door and walk out and not ever have another cigarette - after smoking a pack and a half a day for 15 years! I recommend this to anyone who Really Really wants to quit smoking.
