I hereby give *Bryan D. Toder, Plymouth Hypnosis Center and McFall Publishing, Inc.* the unqualified right to publish, print and reproduce the following endorsement in whole or in part which includes my name, city, state and occupation for any commercial, public or private use.

The following statement/ endorsement is a true and factual representation which I have read and understood:

Before receiving treatment from Bryan I had an absolutely paralyzing fear of approaching and talking to women. I would just walk right past them, say nothing, and be frustrated and depressed for the rest of the day. I can proudly say that all of that has changed now with Bryan's help. Within one session I already found myself interacting with women on a regular basis. And now after four sessions I can't even remember the shy, nervous guy that walked into Bryan's office a month ago. All that is left is my new confident self, and it is awesome. The new me is due entirely to Bryan, so I would like to say thank you for everything!
