I hereby give *Bryan D. Toder, Plymouth Hypnosis Center* and *McFall Publishing, Inc.* the unqualified right to publish, print and reproduce the following endorsement in whole or in part which includes my name, city, state and occupation for any commercial, public or private use.

The following statement/ endorsement is a true and factual representation which I have read and understood:

I have been a client of Plymouth Hypnosis for 12 wks and have lost a total of 15 1/2" inches. Recently, I visited my physician and she was very happy about my success - I had to ask her not to tell me my weight, but she did comment on how she could tell I had lost inches. She was also pleased that my blood pressure was down - I told her I was undergoing hypnosis and she was very accepting & supportive - 'cause it's working! I'm wearing clothes I haven't been able to wear for the past 2 yrs - I feel very strongly that hypnosis is my means to achieve my goal to be thin again.
